REWARD PACKAGES

While giving is – and should be – its own reward, our wonderful Reward Partners have added exciting incentives to put you into an especially charitable frame of mind. Those who donate at the \$33+, \$99+, 222+, 444+, 777+, 1111+, \$3333+ levels are eligible to receive Rewards.

Rewards packages will be sent soon after your donation is made and you may use them yourself, or sign over any reward to someone else.

Most rewards must be redeemed by Feb. 29, 2012, but some have different expiration dates.

If you are interested in attending a Reward Event (noted with an *), you'll be asked to send in your reward coupon by January 15, 2012 and we will email event invitations notifying you of the time, date and location of each happening, as well as how to RSVP.

If there is a (#) following a reward offer, then there are capacity limitations. If too many interested donors seek to attend an event, participants will be awarded by lottery.

Page 15 has more detailed explanations of each reward. If your reward is for a service you'd normally tip for, please leave an appropriate gratuity.
